

## YOUR REFERRALS & REVIEWS MAKE A DIFFERENCE!

---

THANK YOU!

---

Client referrals and reviews mean the world to our agency AND our community. If you've enjoyed working with the Integrity team, we'd love for you to share your positive experience with others. In return, we'll commit to paying it forward in our community. Here's how it works:

- Every time someone calls for a quote and they say you referred them to us, we'll donate \$10 to our partner charity once we quote their policy.
- When you leave us a review on Google, via one of our social media channels, or even an email testimonial, we will also donate \$10 to our partner charity. (Feel free to click on the links below.)
- Partner charities vary each quarter.

Integrity Insurance chose to support My Father's House because of the incredible impact they have on families in need. Our decision was influenced by the personal experiences of one of our employees, who was a foster parent and witnessed the professionalism and dedication of the My Father's House staff firsthand.

This organization is on a mission to equip homeless families with the life skills they need to become contributing members of society. Their vision is to lead the way in transforming the lives of homeless families from dependency to self-sufficiency.

At the core of My Father's House are three foundational values: Relationship, Responsibility, and Accountability. They believe in building strong relationships with their residents, fostering trust and respect. Everyone, including residents, is held accountable for their actions and responsibilities, promoting personal growth and development.

My Father's House provides a comprehensive program that addresses the immediate needs of homeless families, including housing, food, and clothing. They offer structured expectations, life skills education, and focused skill-building to empower residents toward self-sufficiency. What sets them apart is their commitment to relational healing and spiritual development. They provide a safe and supportive environment where families can heal and grow emotionally and spiritually.

Thank you for your continued support. Together, let's make a positive impact on the lives of those who need it most.
